

## Office of the Civil Surgeon cum CMO Simdega

Letter No 722.../Simdega, Dated...29.4.2021...../

### Certificate regarding sanitary condition and availability of safe drinking water in DAV Public School, Simdega

A Letter from Principal DAV School Public, Simdega 'No. 247 dated 13.03.2021 submitted to the civil Surgeon, Simdega regarding certificate of sanitary conditions of the school and availability of safe drinking water. In reference to the above-mentioned letter, Civil Surgeon, Simdega directed to Dr. Raju Kachap, Deputy Superintendent Sadar Hospital Simdega & Dr. Minashree Horo, District Health Fellow Civil surgeon office Simdega for spot verification on 19.03.2021 and recommended the school authority to immediately fill up the identified gaps.

The second spot verification was conducted on dated 28.09.2021, at the time they found that DAV school Simdega has fulfilled all the criteria of sanitation, hygiene and availability of safe drinking water required for the school.

I hope that in future, School has further maintained the above condition for Healthy life of School children.
